LIBRARY

Our College has good library for the students and staffs. There is a large number of books subscribes many periodicals, Journals, magazines and newspapers.

The library books are arranged in a spacious hall which is

open to students and staff always. The expansion of Library is a great motive and the college takes speedy steps to establish a very good reference library. It has a good collection of statistical data., project reports and annual reports of various organizations.

COMPUTER LAB

The college has established a well- equipped LAN and UB based computer laboratory. This Lab is kept open on all working days. Students can learn the latest software and operating systems during extra hours. Independent study on

various special software is also possible in the computer lab. This system is specifically used for high end application environment. Besides the Computer Hardware facilities, the infrastructure includes a good collection of latest software packages. Separate laboratory is provided for postgraduate students with latest machines and internet/Wi-Fi connection.

PARENT TEACHER ASSOCIATION (P T A)

The management will maintain better relations with the parents and periodical meeting will be convened to assess the improvement both in the academic side and the discipline of the students.

PRAYER

There will be strict instructions from the head of institution to obey the religious rites of all the castes and it will be strictly adhered to.
